Welcome New Head Coach

Maddy Beatty

We are pleased to announce our new head coach. Maddy started swimming when she was five and has been swimming ever since! Although this is her first year with the Sharks, this will be her 7th year coaching swim team. She is currently a junior at Kennesaw State, and in her free time, she loves to hike with her friends and go for runs. She is looking forward to a great season!

Assistant and Jr. Coaches

Hadley is returning for 4th year as an assistant coach. She will be leading our junior sharks program this year. Tatelyn and Joey are returning this year as junior coaches. We are excited to share that we will have Devon Esguerra and Jillian Drake joining the coaching team as coaches in training.

Volunteer Coordinator

Would you like to learn more about the behind the scenes of swim? Would you like a discount for your swimmer? Then we want you! We would love to start training more volunteers to lead the sharks into the future. No experience needed.

Registration

We are pleased to announce that our prices will remain the same this year! Registration opens March 1st! [Click here.](#)
